Scottish Sisters Ray & Cilla Fisher  
Friday, September 28, 8:30 pm, WES Auditorium

Sisters Ray and Cilla Fisher are two of Scotland’s leading singers of traditional song. On Friday, September 28, FSGW audiences have the chance to hear their wry wit, their lovely singing, and a VAST repertoire of Scottish folk songs in an 8:30 pm concert at the Washington Ethical Society Auditorium, 7750 Sixteenth St., NW.

Members of the Fisher Family of Glasgow - their brother, Archie is no stranger to Washington audiences - Ray and Cilla have been sharing their Scots tradition with US, Canadian, and European audiences since the late 50's. Ray was influenced by the legendary Jeannie Robertson, and has appeared at almost every U.K. folk festival, has made several recordings, and with Archie, reigned as Scotland’s leading malefemale duo for years. Cilla is the youngest of the Fisher clan and, with her husband, Artie Tresize, has recorded ten albums, one of which is "For Foul Day and Fair," on Folk-Legacy in this country.

This was the only date that Ray and Cilla had available to play DC; FSGW apologizes to those observing Yom Kipper and unable to come. We regret the conflict, and did not do it intentionally.

Admission to this sure-to-be memorable special concert is $8. (FSGW members) and $10 (nonmembers) $1. discount for senior citizens. WES Auditorium is on Sixteenth St., NW just south of Kalmia Rd. (about 5 blocks inside D.C. from Silver Spring).

Timothy Britton and Carol Ann Hunner

SEPTEMBER PROGRAM

Friday, September 14, 8:30pm at WES

Timothy Britton and Carol Ann Hunner are the performers for FSGW's first program of the 1990-1991 season, Fri. Sept. 14, 8:30pm, at the Washington Ethical Society Auditorium (7750 16th Street NW, DC). The monthly programs are FREE to members, including those joining at this event; $6 to others.

Timothy Britton is best known for his virtuosity on the Uillean pipes (a sophisticated form of Irish bagpipe). His determination to acquire a full set of pipes led him to learn the art of pipemaking. He is also accomplished at wooden flute, penny whistle and bodhran and sings the occasional song and may tell a story. Born into a family familiar to the folk scene, Timothy was exposed to traditional music at many folk festivals in the sixties. At the age of ten, he became fascinated with Celtic culture and immersed himself in the study of Celtic music. Due to the healthy Irish music scene on the east coast, he was able to play with a number musicians, young and old from Ireland and America. His interest led him to Ireland where he attended the Willie Clancy School and traveled about the countryside.

Carol Ann Hunner began singing in choirs at the age of nine. At ten, she took up the guitar and was soon performing at social gatherings and talent shows. She traveled to England when she was sixteen and traded songs at folk clubs and pubs. Her desire to stretch her musical boundaries led her to the Guitar Institute of Technology in Hollywood where she studied with a number of blues, jazz and fusion guitarists. She has also studied classical guitar performing classical, renaissance, bossa novas and jazz standards. Recently, she has been touring with Timothy throughout the U.S. and Ireland, collecting many traditional songs and playing styles.

Together, Timothy and Carol Ann will present a program of evocative a capella numbers, delicate instrumentals, searing slow airs and exuberant dance tunes. Their unique approach as young Americans with many influences is well founded on a thorough knowledge of the traditions from which they draw their material.

We try to print all copy that is relevant to FSGW's purpose, and membership (Quote from the FSGW Bylaws: "The main purpose of the Society is to further the understanding, investigation, appreciation, and performance of the traditional folk music and folklore of the American people."). However, in most instances, it is simply impossible to print copy in full.
