

Report of the telephone committee of the FSGW, July 13, 1965

Re: telephone campaign for the July 3rd Pick-nic

From an IBM list and about eight sets of IBM cards, the eight members of the telephone committee* and its chairman and its friends**contacted 106 FSGW members and friends.

Explanation: the IBM list was of members, partial members, and about 1% non-members. The number of memberships was 103.

From the people contacted additional names were received and contacted. 7 charcoal grills were promised through the efforts of these calls to members & friends.

Numerical breakdown:

15	would come and help
19	would come, no help promised
13	weren't sure but might come
9	weren't sure of anything
12	were sure they were not going to come
38	not contacted (in Europe, no phone, etc.)
