Reports- Program-There was a great deal of discussion on future programs and it was decided to try and get Gran Rogers for February but if that wasn't possible to settle for the Penny Whistlers. In March Helen Schneyer will procure some local talent, and in June maybe the Poppin family will be presented.

Hospitality It was agreed that the Hospitality chairman should only be responsible for dispensing good will so a pot will be passed at parties so others can contribute.

Special Events The open sing in March may include members of the Philadelphia Folk Society.

Stanley Williams Presentations for April will be <sup>Tom</sup> Paxton on April 29 and the Clancy Brothers on April 2nd. There will be a meeting March 12th at Joan Petersons for those interested in the possibilities of establishing and operating a coffee house for the display of local folk talent.
