Fairfax, Virginia

Dear Mr. Purdue:

We need housing and chaperones for the people who are coming for the Festival of American Folklife the weekend of July 1-4, and are most anxious to formalize some support from the Washington Folklore Society.

I would appreciate your taking this up with your membership and let me know to what extent you can help us. We expect approximately 200 people participating that weekend.

Sincerely yours,

James R. Morris
Director
Museum Service
