Suggestions for future Get-Aways:

1. No dogs should be allowed. Even though the Park allows dogs on leash I don't believe we should allow them - too many problems with the number of kids we have.
2. Do not depend on volunteer labor. Assign people to specific jobs on specific days.
3. Note: Deadline for application is February 15 for spring use and June 15 for fall use.
4. Begin notices in Newsletter for Get-Away as early as possible. Take at least 100 people for waiting list. I don't believe that advertising in newspapers etc. will be necessary. If the attendance grows much larger the Get-Away will be too unwieldy to handle.
