Joe

Friends,

I recently joined the FSGW and I have just read the current Journal of The FSGW.

I would like to become involved with reviewing books and/or records. I am working on a Ph.D. in anthropology and I have published articles on conscientious objection in The Reporter For Conscience Sake.

If I can be of any help in reviewing (or contributing in additional ways to the Journal) please drop me a line or call at 338 7902.

Peace,
