Dear Cynthia Hoover:

Your membership form has been referred to me, after your being registered as a member of this organization, for answer regarding the back issues of our publications. I assume that you have the newsletters, inasmuch as you have been on our general mailing list. Our circulation editor will send you the first issue of our journal, to which you are entitled as a member. Before the journal, the society published five supplements to the newsletter, for members only. Three of these are worth 25¢ each and the last two, being larger, are worth 50¢ each. Total, \$1.75. If you'll send me your check for this amount, I'll forward the supplements to you. The check should be made out to me and sent to me here at the University:

Frank Goodwyn
University of Maryland
College Park 20742.

I shall thereupon deduct this amount from my printing charges to the Society.

Cordially yours.
