Dear Joe and Folklore Soc,

Thank you for your generous cooperation and participation in the Northern Virginia Folk Festival.

We have been amazed at the number of phone calls, radio announcements and post Festival contacts praising the various parts of the program and the participants.

Requests have been received from several groups and individuals asking to be included next time. It is evident that there is considerable interest in this type of program indicated by the attendance estimated at close to 8,000 for all programs.

We do hope you will be able to be a part of the next Northern Virginia Festival, hopefully in 1973.

Sincerely,

Priscilla R. Urner
Festival General Coordinator
