OLD BUSINESS

1. Rich Galloway suggested Cooper-Trent as a possibility for having the Newsletters printed instead of Batt Bates.
2. Have received no feedback on our search for someone to audit the books of the Society. Rich Galloway offered to organize the records in the Treasurer's archives and call a committee meetings sometime in January.
3. Smithsonian is selling tickets in advance for the Jean Redpath concert. Publicity should give notice of post office box number and phone number for obtaining tickets and information.

NEW BUSINESS

1. D. Hutton reported on a woman in the Chevy Chase area who is opening her home to various civic groups, including performing groups, in an effort to promote her efforts to open a fine arts college in the area. Might possibly serve as a place to hold a special event of some nature.
2. Discussion on ways to get more participation in open signs followed.

There being no further business to discuss, the meeting adjourned by unanimous approval at 9:10 p.m., to reconvene in February.
