Bob -

As you may have guessed, my letter crossed mails with the contract you sent. Enclosed is a signed contract for you, with ourselves keeping the duplicate.

Latest revision of our plans: Bill Workman will also fly down on Friday, February 8 with Smitty and Sarah. Lydia and I will drive Smitty's bus down starting Thursday morning, Feb 7. We may try to make it all the way then. Could someone put us up that night if we came then?

We will keep you posted and will stay in touch.

cheers,
Sandy.
