Dear Sirs:

I have recently moved into the Washington area, and I am interested in knowing what is happening here in the world of folk music, folklore, singers, artists, concerts, coffee houses, etc. Also, I would like to find out something about the Folklore Society, itself.

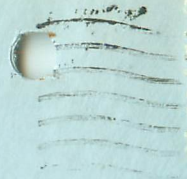

I am writing to you with the hope that you can provide me with some information regarding my above interests, and I would appreciate whatever materials you could send me.

Thank you very much for your time and efforts.

Sincerely,
Michael De Petriello
