Dear Member;

We're glad to hear from you again! Your continued interest and support is greatly appreciated.

We are sure there are "folks" in your area who would join NFFA if they knew about us. Please give the enclosed information about us to someone who may be interested in becoming a member or supporting NFFA in some other way.

Also enclosed is your current membership card. Again, thanks for your encouragement.

Cordially,

A handwritten signature in cursive script that reads 'Leo'.

LEO BERNACHE

A handwritten signature in cursive script that reads 'Betty'.

BETTY BRAYMER
