Please help us plan for next year by sharing your thoughts on the following:

LOCATION--What part of town would you prefer? Would you object to paying more each week to cover rent, air conditioning, etc.? Can you suggest other halls? Or would you prefer staying right where we are? If you were choosing the hall, what would be your criteria?

TIME SLOT--Which night of the week would you prefer? Would you still come if we switched back to a week-night? Is 8:00 to 10:30 O.K.?

CALLERS--Do you like the current system of inviting callers for one-night-stands? Which callers do you enjoy the most? Why? If you were choosing the callers and arranging the schedule, what would be your criteria? Has the teaching been adequate?

DANCES--Which categories do you prefer, and why? Harder dances; easier dances; more squares, etc.; more emphasis on style; more variety; more continuity?

MISCELLANEOUS--Music; Cost; Publicity; Special Events....
