venue

Silver Spring Civic Building offers **seven different meeting spaces**, ranging from a small conference setting for 32 people to the Great Hall that can accommodate up to 800 guests. The Great Hall is perfect for personal celebrations and parties, banquets, performances, corporate conferences and large presentations, and can be divided for events requiring more flexibility.

When your meeting breaks, relax outside. In addition to interior space, guests can enjoy the private courtyard and adjacent **Veterans Plaza**. Veterans Plaza is a large open space ideal for outdoor ceremonies. It can accommodate concerts, festivals, movies and other public events. There's a beautiful pavilion, and an ice skating rink which operates from November through March—both extremely popular gathering places.
